is a Malaysian based architectural firm with international affiliation in Australia and Indonesia. Since its inception in 1994 it has undertaken many diverse projects including office towers, convention & exhibition centres, shopping complexes, shop offices, hotels & resorts, theme parks, stadiums, factories and numerous housing developments. Our expertise cover a spectrum of fields including interior architecture, urban planning and project management.

We at Architects Associates believe that in today's context, a new approach to design is needed to remain relevant as we constantly strive to invent new typologies that are rooted in environmental preservation & restoration and in improving society. Hence our mantra,

**“The world of tomorrow is in  
the imagination of today”
